

REMARKS

Reconsideration is respectfully requested.

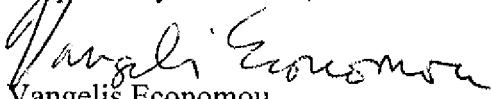

By this amendment new Claims 18 and 19, each depending on Claim 1, have been added to more specifically point out and distinctly claim the subject matter considered by the Applicants to be their invention. In the Office Action mailed on February 20, 2008, Claims 5-17 of this application had been withdrawn from consideration and Claims 1-4 were rejected under 35 U.S.C. §112, first paragraph as not supported by the specification and also Claims 1-2 were rejected under 35 U.S.C. §112, second paragraph for being indefinite. The above amendments have overcome these rejections and Applicants consider that all §112 issues raised in the Office Action have been satisfactorily addressed. No new matter has been added.

The above amendment has also added new Claims 18 and 19 to this application. No additional filing fees are considered necessary required for these newly added Claims but in the event that any fee is necessary for the amendment, Applicants respectfully request that such fees be charged to Deposit Account No. 50-3993. No new matter has been added.

As amended, the claims, find support in the application specification as filed, and that the combination of elements recited in the pending claims, as amended, are ready for examination and favorable treatment.

Concurrently submitted herewith is a Request for Extension of Time in which to respond to the office Action dated February 20, 2008, extending the period of response up to July 20, 2008, together with the requisite fee therefor in the amount of \$460.00 paid by credit card.

Respectfully submitted,

Vangelis Economou
